Dear [Manager's Name] [Optional: Cc Human Resources],

I am writing to formally request a medical leave of absence starting on [Start Date] and ending on [End Date]. I expect to return to work on [Expected Return Date].

During this time, I will be undergoing a medical treatment and recovery process that will prevent me from performing my daily duties. [If applicable: "I will be using my accrued paid time off/sick leave during this period" or "I am requesting this leave under [Company Policy / FMLA / relevant local labor laws]"].

I want to ensure that my projects are managed smoothly in my absence. Before my leave begins, I will [mention transition plans, e.g., document my open cases / hand over my primary accounts to Name / complete the X report].

Due to the nature of my recovery, I will have limited access to email, but in the case of an urgent emergency, you can contact me via [phone number / text / personal email]. Otherwise, I will check in with HR near my return date to provide any necessary return-to-work documentation.

Please let me know if there are additional forms or medical certifications required from my physician to process this request.

Thank you for your understanding and support.

Sincerely,

[Your Name]
